To Whom It May Concern:

I am applying for membership on the 2008-2009 State 4-H Leadership Team and to campaign for Southwest District Vice President. As indicated in my enclosed resume, I have 4 years experience in my local community 4-H club and have participated in county, district and state events in 4-H. As I am completing my freshman year of high school, I have obtained organizational skills needed as a busy teenager involved in my high school band, math club, my local girl scout troop and through my 4-H activities to still be an active member of the State 4-H Leadership Team. I am eager to increase my public speaking skills and knowledge of the Mississippi 4-H program if selected as a team member.

I have reviewed the qualifications and requirements with my parents/guardians and they approve of this opportunity. I look forward to hearing from you if I qualify to participate in the Step Two of the application process and will gladly present a speech, participate in an interview and reception.

Sincerely,
