

Family's Role in 4-H

The 4-H family's role is to encourage participation in 4-H programs at the local and county level. They should support the 4-H program through time, talent, and financial support.

4-H families work cooperatively with other families and 4-H volunteers.

Adult family members participate in Volunteer Training to enhance their personal knowledge of 4-H, and to assist in the development of their 4-H member.
