Dear **4-H** Youth, Parents and Volunteers:

Wow, in case you haven't heard yet, the 4-H Program for 2011 is off to a great start! Good day, this is your county **4-H** Agent, Randall Nevins, and over the past few years, I have thoroughly enjoyed being your Monroe County 4-H Youth Agent. We have a fun-filled and exciting 4-H year ahead of us. I want to let everyone involved in 4-H know that I am here ready and willing to help increase activity with the 4-H program. I would like to hear from all who are already members and volunteers of 4-H, so please give me call anytime.

My goals and ambitions for the county program remain the same, which are to boost the numbers for our county for those who are interested in joining and becoming a part of 4-H and establish new clubs. I also wish to increase activities, events and meetings for the youth to enjoy throughout the year. If you know of someone who is not in **4-H** and would like to be a part of something exciting and fun, please give me a call so that I can get in touch with them. Also, I will be getting around to each of your clubs in the months to come.

I look forward to working with all of you in the near future for those new and old faces. If you have any questions or would like to meet with me, you can contact your local Monroe County Extension office at 662-369-4951. In the meantime, if you are in Aberdeen, feel free to stop by the office for a visit.

Making the best better,

Randall Nevins
