

# Leadership Montgomery Youth

*Read below to find out why we exist and how you can apply.*

- T **Why We Exist:** To develop youth leadership in Montgomery County by providing structured opportunities for interaction with other youth, as well as community leaders, and by providing for growth in understanding of character development issues, personal leadership styles and community responsibilities.
- T **Our Purpose:** To bring together a diverse group of high school sophomores, juniors and seniors to participate in a program focused on developing an understanding of personal leadership styles, learning personal and community responsibilities, and reviewing character development. We want to provide each student with the basic tools, resources and action plans on how to respond to a leadership role now and in the future. This program will provide an overview of Montgomery County, including local government and the business community, as well as an introduction to area leaders and career opportunities. It will also provide opportunities to gain practical skills for development as future leaders of Montgomery County, while allowing high school students from different sections of the community to get to know one another.
- T **Application Details:**
1. **Leadership Montgomery Youth** is open to all high school sophomores, juniors, and seniors that attend school or reside in Montgomery County. These students should have proven leadership skills or have potential leadership skills. If you need assistance with the application, or have questions call Amy Ware at 662-283-4133.
  2. Students will be chosen for the program based on application (typed), reference letters, signature of principal and parents/guardians, and a written essay. All applicants must have a 2.5 grade point average out of a possible 4.0 GPA for the previous school year. The essay (one page, typed) should describe what you hope to learn from this program to better your school and your community now and in the future.
  3. Efforts will be made to insure a diverse group.
  4. The number of participants will be limited to 12 in order to encourage maximum personal participation.
  5. **There is no cost to apply. If selected to participate, the cost for the program will be \$25.00.**
  6. If for any reason any part of the application is not complete, the student will be disqualified from further consideration. All materials must meet the deadline. Decisions by the selection committee will be final. Applicants will be notified by letter of their acceptance into the program.

**Opening Retreat:** This will be a one-day event in which the group will participate in team-building activities. The day retreat is **MANDATORY** for all selected participants.

- T **Transportation:** To and from the meeting location will be the responsibility of the individual student. Once at the meeting location, transportation will be provided for safety reasons and so everyone can ride together.
- T **Golf Shirt:** A LMY golf shirt will be required to be worn at every meeting. No exceptions.
- T **Community Service:** Each participant must complete at least one community service project. An Adult LMY Committee member will coordinate projects and the projects will be completed outside of the monthly meetings.
- T **Monthly Meeting:** Each session will be held on a school day from 7:45 a.m. until 3:00 p.m. Participation in the monthly sessions is required. If absent, participant or parent/guardian must call the 4-H office. Written excuses by the parent/guardian must follow-up the call to the 4-H office. If students do not show up, we will call the school to report that the student did not show up. An unexcused absence may mean being dismissed from the program. Excessive (more than 2 days) excused absences may also mean being dismissed from the program.
