

HIGH TUNNEL FIELD DAY

Thursday, March 11, 2010

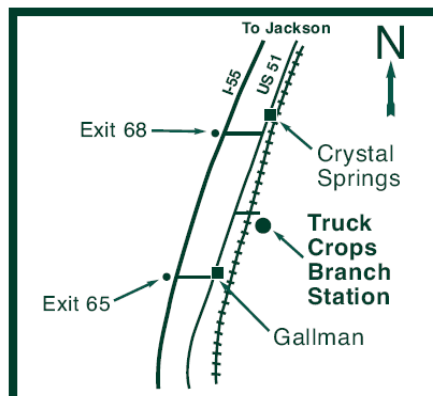

10:00 a.m. – 4:30 p.m.

MSU Truck Crops Experiment Station
Crystal Springs, MS

Interested in showcasing your company at the high tunnel field day, where the attendees will learn the basics of producing fruits, vegetables, and cut flowers in high tunnels? Featured speakers include **Dr. Curt Rom** of the University of Arkansas, **Dr. Carl Motsenbocker** of Louisiana State University, and **Dave Dowling** (President of the Association of Specialty Cut Flower Growers) of Farmhouse Flowers and Plants in Maryland. Participants will have the opportunity to tour high tunnels currently being used to grow a variety of crops and learn more about a cost-share program for high tunnels that is available through USDA-NRCS.

The MSU Truck Crops Experiment Station is located at 2024 Experiment Station Road in Crystal Springs.

Return registration form and fee to:

Tammy Scott
BOX 9555
Mississippi State, MS 39762
Make checks payable to the **MSU Foundation**.
