

Mississippi Foundation Seed Stocks 2012 Rice Advance Order Form

1. Please submit your seed order on this form by mail, fax transmission, or by purchase order.
2. All orders require a deposit of \$17 per 50 pounds of seed, (non refundable except for crop failure or failure to meet seed standards). Seed treatment will include “Maxim 4FS and Apron XL” fungicides as well as “Release” growth regulator. Total seed price is \$34 per 50 pounds.
 - *Note: Failure to accept advance ordered seed will result in forfeit of deposit on a 50 pound unit basis.*
3. 2012 advance order deadline is April 1, 2011. Orders and deposits for 2012 seed received after the deadline will be filled only in the event of a seed surplus not first needed by advance order parties. Seed price for seed ordered after the advance order deadline is \$36 per 50 pounds. In the event of a shortage, distribution of seed would become subject to allocation.
4. You will be notified by March 1, 2012 concerning order pick-up information.
5. If you have interest in a variety that is not stated, please write in the variety name along with the amount needed. Please do not send a deposit for a variety not listed. If sufficient interest exists to include the variety as part of production this year, you will be notified soon after April 1, 2011.
