

**Mississippi Foundation Seed Stocks
2010 Rice Advance Order Form**

Order Information:

1. Please submit your seed order on this form by mail, fax transmission, or by purchase order.
2. All orders require a \$16.00 per bag deposit, (non refundable except for crop failure or failure to meet seed standards). Seed will be packaged 50 pounds per bag and will include “Maxim 4FS and Apron XL” fungicides as well as “Release” growth regulator seed treatment. Price is \$32 per bag.
 - *Note: Failure to accept advance ordered seed will result in forfeit of deposit on a per bag basis.*
3. 2010 advance order deadline is April 1, 2009. Orders and deposits for 2010 seed received after the deadline will be filled only in the event of a seed surplus not first needed by advance order parties. Seed price for seed ordered after the advance order deadline is \$34 per bag. In the event of a shortage, distribution of seed would become subject to allocation.
4. You will be notified by March 1, 2010 concerning order pick-up information.
5. If you have interest in a variety that is not stated, please write in the variety name along with the amount needed. Please do not send a deposit for a variety not listed. If sufficient interest exists to include the variety as part of production this year, you will be notified soon after April 1, 2009.
