

**MISSISSIPPI STATE  
UNIVERSITY™  
EXTENSION SERVICE**

In addition to an excellent learning experience, this workshop also gives participants the chance to interact with other landowners.

You are encouraged to participate in the formation of a Delta woodlands users association. This organization will promote, develop, and protect Delta hardwood bottomlands and natural resources in Leflore, Sunflower, and Humphreys Counties for the best interest of present and future generations.

This organization will also act as the “Voice of Forestry” in the Mississippi Delta. The membership will conduct public affairs, communication, and educational programs that promote a better understanding of the environment and woodlands management.

---

Individuals who require special accommodations to participate should contact the Leflore County Extension Office to make their request prior to the program. Contact should be timely to ensure appropriate accommodation.

---

**No** Continuing Forestry Education credits will be offered for this workshop.

***The Mississippi State University Extension Service provides equal employment opportunity and services to all individuals regardless of disability, race, age, religion, color, gender, creed, national origin or political affiliation. This institution is an equal opportunity provider.***

# Wildlife & Hardwood Management For Profit and Recreation

**September 20, 2010  
5:45 PM – 8:30 PM  
KK's Deli

Greenwood 38930**

# Wildlife & Hardwood Management Workshop

A workshop for residents from Leflore, Sunflower, and Humphreys Counties who are interested in the natural landscape as well as woodland & wildlife management.

## DESCRIPTION

Many Delta residents own bottomland hardwood timber, are hunting enthusiasts, or just want to learn more about nature. This workshop is designed to introduce Delta residents to the basics of woodland & wildlife management. Part of the discussion will address appropriate habitat management for game species. Because good wildlife management is linked to good forest management, forestry topics will include regeneration and management of hardwoods. Finally, a specialist will discuss landowner assistance programs offered by government agencies.

## WHERE

KK's Deli  
109 Grand Blvd.  
Greenwood, MS 38930

## WHEN

September 20, 2010. 5:45 PM to 8:30 PM.

## COST

Registration is \$15 per person, \$20 per couple. The fee covers reference materials and BBQ rib supper. Space is limited. Register by **Sept 16**.
