

Helpful Parent Tips

Start NOW encouraging your child to.....

1. Take as many math and science classes as he/she can.

- ❖ Biology
- ❖ Chemistry
- ❖ General Math
- ❖ Algebra
- ❖ Geometry
- ❖ Business Math
- ❖ Statistics

2. Make an A or B in most, if not all, of the classes listed above.

(Note: He/She will have a better chance of getting into health care training programs.)

3. Talk to the following people about which health profession is the perfect fit for your child.

- ❖ Guidance counselor
- ❖ Teachers
- ❖ Health Professionals (local physicians, dentists, school nurses, etc.)

4. Think about and begin securing financial resources to pay for higher education and/or training.

- ❖ Scholarships
- ❖ Grants
- ❖ Savings
- ❖ Federal, state and local government financial aid programs
- ❖ Loans
