▶ **ANIMAL HEALTH RECORDS**

Any animal that is to be shown at the 2006 Dixie National Junior Round-Up must have a completed health record listing all medications and treatments received within 60 days prior to the show. The completed health record on all market animals, commercial beef heifers, and commercial dairy heifers will be turned in to show management at weigh-in of the animals. Completed health records on beef breeding cattle and purebred dairy cattle will be turned in to show management at the check-in of registration papers.

▶ **REMINDER – 2006 DISTRICT AND JUNIOR ROUND-UP SHOWS!!**

◆ **PURCHASING PROJECT ANIMALS FOR SPRING SHOWS**

Spring shows will be here soon. Now is a good time to run a final survey of your 4-H'ers to determine if additional purchases are needed, and be locating them. The only ownership deadlines that have passed are for steers, market goats, and lambs. So all other project animals can still be purchased. Ownership deadlines on project animals for spring shows are:

Market Goats	- October 1	Beef Breeding	- December 1
Market Lambs	- August 1	Commercial Beef Heifers	- December 1
Steers	- August 1	Hogs	- December 1
Purebred Dairy	- December 1	Dairy Goats	- December 1
Commercial Dairy Heifers	- December 1		

◆ **CATTLE REGISTRATION PAPERS FOR JUNIOR SHOWS**

Double check registration papers on breeding beef and purebred dairy to be sure they are in proper order. Now is the time to correct any problems. Remember that papers must be in the 4-H'ers name only. Farm names or joint ownership with adults are not acceptable. DON'T ASSUME THAT EVERYTHING IS RIGHT – CHECK!! Papers may be in multiple siblings' names provided they are all 18 years of age or younger.

◆ **ENTRIES FOR DISTRICT & ROUND-UP SHOWS**

Now is the time to be getting your entries in order. You will be getting more information soon about these events. All purebred dairy, commercial dairy heifers, beef breeding, commercial beef heifers and dairy goats will be entered on the computer program like we did for State Fair. **These entries will be due Friday, January 6, 2006.**

◆ **STEERS, COMMERCIAL BEEF HEIFERS, COMMERCIAL DAIRY HEIFERS, AND MARKET GOATS**

Double check with your 4-H'ers who are exhibiting steers, commercial beef heifers, commercial dairy heifers, and market goats about horns. All commercial beef heifers, steers and market goats showing at the District and Round-Up Shows must be polled or dehorned, with no scurs or regrowth to exceed 1½ inches above the skin. All commercial dairy heifers must be dehorned. Too often with a poor job of dehorning, regrowth may occur. Now is the time to take off the horns or any regrowth to allow for proper healing.

Registered heifers are not eligible for the commercial heifer shows.

◆ **HOGS SHOWING AT 2006 DISTRICT AND ROUND-UP SHOWS**

All market hogs for the 2006 District and Round-Up Shows must be nominated and ear tagged within 15 days after ownership deadline. Below are the dates for deadlines:

December 1, 2005	- Ownership deadline on hogs for 2006 District & Round-Up Shows
December 15, 2005	- Nomination forms on hogs for 2006 District & Round-Up Shows and submitted county nominations on the X drive.

Nomination Process for Hogs- What you must submit for each hog nominated:

1. Mail individual nomination form for each hog to Gale Chrestman. Each nomination form must be complete (PO Box address is not acceptable for physical location of an animal) and signed by the exhibitor, parent, and supervising Extension Agent or Vo-Ag Advisor.

2. Official ear tag number – each hog must be tagged with official ear tag for 2006 prior to nomination deadline.
3. Submit county entries on computer program (information on procedure to do this will come later)
4. Mail hard copy of information on computer program (keep a hard copy for your files) to Gale Chrestman.

Please let hog exhibitors know about these dates and double check with them to be sure your records are in order and that all market hogs are properly entered. Do not send us nomination forms after deadline date. Please do not wait until the last day to take care of this business.

Order form for hog tags and nomination forms for hogs were sent to you earlier. If you failed to get this material, please call my office. County Extension Agents or Vo-Ag Advisors must make nominations of hogs under their supervision.

All hogs must be ear tagged (by December 15th) and nomination forms must be (duplicate forms as needed) returned to the MSU Animal and Dairy Sciences Department by December 15, 2004.

Each hog must have an individual nomination form and form must be complete, including breed information, signed by the exhibitor, parent, and Extension Agent/Vo-Ag Advisor.

◆ **EXHIBITOR'S AGE FOR DISTRICT LIVESTOCK SHOWS & DIXIE NATIONAL JUNIOR ROUND-UP**

Remember that exhibitor's age will be 8 –18 years of **age as of December 31, 2004.** You have the responsibility to see that all exhibitors are of the proper age.

► **LIVESTOCK ETHICS CERTIFICATION PROGRAM**

As you know all 4-H or FFA exhibitors (in addition to at least one parent, and all volunteers who plan to assist) that plan to exhibit animals at the 2006 District Livestock Shows and Mississippi Junior Round-Up must have completed the **Livestock Ethics Certification Program.** All Extension Agents and Vo-Ag Advisors that plan to teach the Livestock Ethics Certification Program must also be certified. After you have updated your livestock ethics certification program on your county computer, make sure you put it on the X-drive by January 6, 2006. Put it in the Livestock Ethics Certification folder located in the Animal/Dairy folder.

► **2005 MISSISSIPPI STATE FAIR RESULTS**

The 2005 Mississippi State Fair junior livestock shows were outstanding. Participation was up in the lamb and commercial dairy heifer shows, along with the Senior 4-H Livestock Judging Contest.

The State Fair was again an excellent event and a "showcase" for the junior livestock program in Mississippi. The number of people involved in these events at the shows were very impressive. Agents, leaders, parents, and exhibitors are to be commended on their fine cooperation and dedicated work put into this event to make it successful. Congratulations! Look at the figures below to see the number of State Fair Livestock exhibits in recent years.
