

## Publications and presentations for R. Crofton Sloan

### Publications

Sloan, R.C., R. A. Henn, and S.S. Harkness. 2008. Field evaluation of landscape roses. SNA Research Conference. 53:474-477.

Sloan, C. and S.S. Harkness. 2008. Field performance of cut flower rose cultivars in Mississippi. HortTechnology. 18:734-739.

Sloan, R.C. and S.S. Harkness. 2008. Evaluation of zinnia cultivars for field grown cut flower production. Journal of Applied Horticulture. 10(1).

Sloan, R.C. and S.S. Harkness. 2008. Field performance of 'Romantica' rose cultivars. Southern Nursery Digest. 1(1):26-27.

Harkness, S.S. and R.C. Sloan. 2008. Monaco Snapdragon Production for Fresh Cut Flowers. SNA Research Conference. 53:137-140.

Braswell, J. and R.C. Sloan. 2008. Fruit and Nut Review: Apples and Pears. MSU ES Information Sheet 1433.

Braswell, J. and R.C. Sloan. 2008. Fruit and Nut Review: Peach, Nectarine, and Plums Information Sheet 1434.

2008. Mississippi Master Gardener Student Training Manual. Plant Propagation. MSU ES Publication M1561.

2008. Mississippi Master Gardener Training Resources for Extension Professionals. Plant Propagation. MSU ES Publication 1368.

Sloan, R.C. and S.S. Harkness. Hybrid lily cut flower research in Mississippi. 2007. Proc. SNA Res. Conf. 51:666-670.

Johnson, K., D. Tatum, C. Coker, F. Matta, K. Hood, C. Sloan, and W. Wells. 2007. Photoperiod induction, mulch and row cover effects on fresh cut flower production of *Rudbeckia hirta* L. 'Irish Spring'. Proc. SNA Res. Conf. 51:644-647.

Sloan, R. C., and S. S. Harkness. 2007. Pollen-free sunflower cultivars that "Make the Cut". The Cut Flower Quarterly. 19(3):18.

Chapter 'Rose Propagation' in MSU-ES Miscellaneous publication M1488 Introduction to Growing and Enjoying Roses in Mississippi.

Sloan, R.C. and S.S. Harkness. 2006. Field Evaluation of Pollen-Free Sunflower Cultivars for Cut Flower Production. HortTechnology. 16(2): 324-327.

Sloan, R. C., and S. S. Harkness. 2006. Hybrid lily cultivar evaluations in 2005. The Cut Flower Quarterly. 18(3): 8-9, 12.

Harkness, S.S. and R.C. Sloan. 2005. Ornamental Cabbage Landscape Evaluation. Annual Report of the North Mississippi Research & Extension Center. Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:241-251.

Harkness, S.S. and R.C. Sloan . 2005. Ornamental Kale Landscape Evaluation. Annual Report of the North Mississippi Research & Extension Center. Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:252-260.

Sloan, R.C. and S.S. Harkness. 2005. Plant growth regulator effect on lisianthus growth. Annual Report 2004 of the North Mississippi Research & Extension Center, Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:261-266.

Sloan, R.C. and S.S. Harkness. 2005. Hybrid Lily Cultivar Evaluation. Annual Report of the North Mississippi Research & Extension Center, Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:267-275.

Harkness, S.S. and R.C. Sloan . 2005. Mississippi Medallion Ornamental Evaluation. Annual Report of the North Mississippi Research & Extension Center. Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:276-292.

Sloan, R.C. and S.S. Harkness. 2005. Camellia Cultivar Evaluation. Annual Report of the North Mississippi Research & Extension Center, Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:293-299.

Sloan, R.C. and S.S. Harkness. 2005. Effect of organic amendments on soil properties and ornamental plant growth. Annual Report of the North Mississippi Research & Extension Center, Mississippi Agricultural & Forestry Experiment Station Information Bulletin 419:300-305.

Sloan, R.C. and S.S. Harkness. 2005. Gladiolus Cultivar Evaluation. Annual Report of the North Mississippi Research & Extension Center, Mississippi Agriculture & Forestry Experiment Station Information Bulletin 419:306-308.

## Presentations

Poster Presentation. Harkness, S.S. and R.C. Sloan. Evaluation of planting date of snapdragon and delphinium for fresh cut flower production. North Mississippi Research & Extension Center Producer Advisory Council, February 2008.

Training Presentation. Master Gardener statewide broadcast. 'Plant Propagation'. 28 February 2008

Continuing Education Presentation. Site Selection and Modification. Itawamba Community College. 17 March 2008

Continuing Education Presentation. Plant Selection. Itawamba Community College. 24 March 2008

Continuing Education Presentation. Planting Techniques. Itawamba Community College. 31 March 2008

Continuing Education Presentation. Plant Maintenance. Itawamba Community College. 7 April 2008.

Oral Presentation. Sloan, R.C. Field performance of 'Romantica' rose cultivars. Southern Nursery Association Research Conference, August 2007.

Poster Presentation. Harkness, S.S. and R.C. Sloan. Evaluation of planting date of snapdragon and delphinium for fresh cut flower production. Southern Nursery Association Research Conference, August 2007.

Training Presentation. Sloan, R.C. Tree Biology. Building Blocks of Arboriculture. International Society of Arboriculture. Mississippi Forestry Commission. Professional Arborist Ass. of MS. May, 2007.

Training Presentation. Sloan, R.C. Pruning. Building Blocks of Arboriculture. International Society of Arboriculture. Mississippi Forestry Commission. Professional Arborist Ass. of MS. June, 2007.

Training Presentation. Sloan, R.C. Plant health care. Building Blocks of Arboriculture. International Society of Arboriculture. Mississippi Forestry Commission. Professional Arborist Ass. of MS. June, 2007.

Training Presentation. Master Gardener statewide broadcast. 'Plant Propagation'. 1 March 2007

Poster Presentation. Hybrid lily cut flower research in Mississippi. Poster. R.C. Sloan and S.S. Harkness. North Mississippi Research & Extension Center Producer Advisory Council, February 2007.

Poster Presentation. Hybrid lily cut flower research in Mississippi. Poster. R.C. Sloan and S.S. Harkness. Southern Nursery Association Research Conference, August 2006.

Oral Presentation. Deep South Fruit & Vegetable Growers Conference. 'Hybrid Lily Production', December 6, 2006

Training Presentation. Master Gardener statewide broadcast. 'Plant Propagation'. 2 March 2006

Poster Presentation. Cut flower research in Mississippi. R.C. Sloan and S.S. Harkness. North Mississippi Research & Extension Center Producer Advisory Council, February 2006.

Poster Presentation. Landscape evaluation of ornamental cabbage, kale, and greens. S.S. Harkness and R.C. Sloan. North Mississippi Research & Extension Center Producer Advisory Council, February 2006.

Poster Presentation. Cut flower research in Mississippi. R.C. Sloan and S.S. Harkness. Southern Nursery Association Research Conference, August 2005.

Poster Presentation. Landscape evaluation of ornamental cabbage, kale, and greens. S.S. Harkness and R.C. Sloan. Southern Nursery Association Research Conference. August, 2005.

Oral Presentation to the MidSouth Greenhouse Growers Conference. 'Cut Flower Research in Mississippi', 6 June 2005
