When you get a request for this information, the best way to provide the answer is by going to the Mississippi MarketMaker (MM) website at <http://ms.marketmaker.uiuc.edu/>. Another way to get to the MM website is by going to the MSUcares.com website and then click the MM icon.

The first thing you need to do when you get into the MM website is to select the SEARCH button at the top corner of the webpage.

Then click FISHERY,

FISH/SHELLFISH/SEAFOOD,

FRESHWATER FISH/SHELLFISH, and

CRAWFISH.

Then 'search by' MS Statewide.

If you need some more suppliers, expand your 'search by' to MULTI STATE and then select the states of your choice.

The MM website also lists suppliers of other major food and seafood products and services.
